Do you have a hobby you're really into right now?

My biggest hobbies are baseball, specifically the Cincinnati Reds, and my dogs!

What's one food you could eat every day and never get tired of?

Can my answer be Mexican food? I could eat Mexican food every day.

Did you have prior work experience in a restaurant or hospitality business?

Yes! My first job was working at Kings Island as a summer associate in the Admissions Department, where I worked for seven summers. I also was a server at Bob Evans for a period of time.

What's one thing your coworkers and clients would be surprised to learn about you?

I attended *Wrestlemania 40* with my husband in 2024, and actually enjoyed it.

What's one part of your job you're especially proud of?

I know this sounds cheesy, but one part of my job I'm proud of is being even a small part of someone else's success story. For clients, that might mean seeing them grow, secure new debt, or bring in investor funding. For my team, it's watching people I've coached develop new skills and step confidently into new roles. Knowing I contributed, even behind the scenes, to those milestones is what makes the work meaningful and fun for me.
